

Metric No.2.6.4

A Parent teachers conference or meeting takes place without the presence of students.

The duration of this meeting depends on the frequency of meeting Parent teachers meetings are usually once or twice a year.they are brief meeting lasting about 10-30 minutes main focus of parent teacher meeting should be learning . It is also important to discuss the factor that can affect learning as.

It is important to approach each parent teacher meeting as an oportunity for parent to refine your childs individual learning plan & to make sure the roles of teachers.students & parents.

What Should be asked in the meeting An overview of your childs work & his coping skills Areas of improvement for your child & your involvement in making those changes.

Outcomes of parent those changes.

- Increased parental involvement tn education through these meetings.
- It can be an effective tool. to enhance students achievement.
- It results in improvement in students attitude & behavior

Whether the parent teacher meeting in the technology era are still relevant now they should be conducted whether it is necessary to change the structure of this meeting for this purpose identical questionaries should ne given for teachers & prants with an added question on suggestion for increasing efficacy the questiones show that thers is need for change.
