

## SHALYATANTRA DEPARTMENT

### **Details of activities towards maintenance of quality , details of training content , frequency of training , skill development programs of therapists**

We have one major OT and one minor OT in our hospital .  
Routinely weekly sterilization of OTs done with OT care machine and fogger machine.  
Fumigation is also carried out after every infective procedures .  
Swab culture has done and report is certified by RMO.

### **Training**

Training for improvement of surgical skills.  
OT management training is carried to all staff .  
Various suturing techniques practicing is carried out on dummy.  
Post OP care training has also given to staff.

### **SOPs of development , implementation, monitoring and revision of SOPs**

SOPs of various Ayurvedic procedures like ksharkarma and agnikarma are attached in another PDF file

### **Activities towards improvement of clinical documentation**

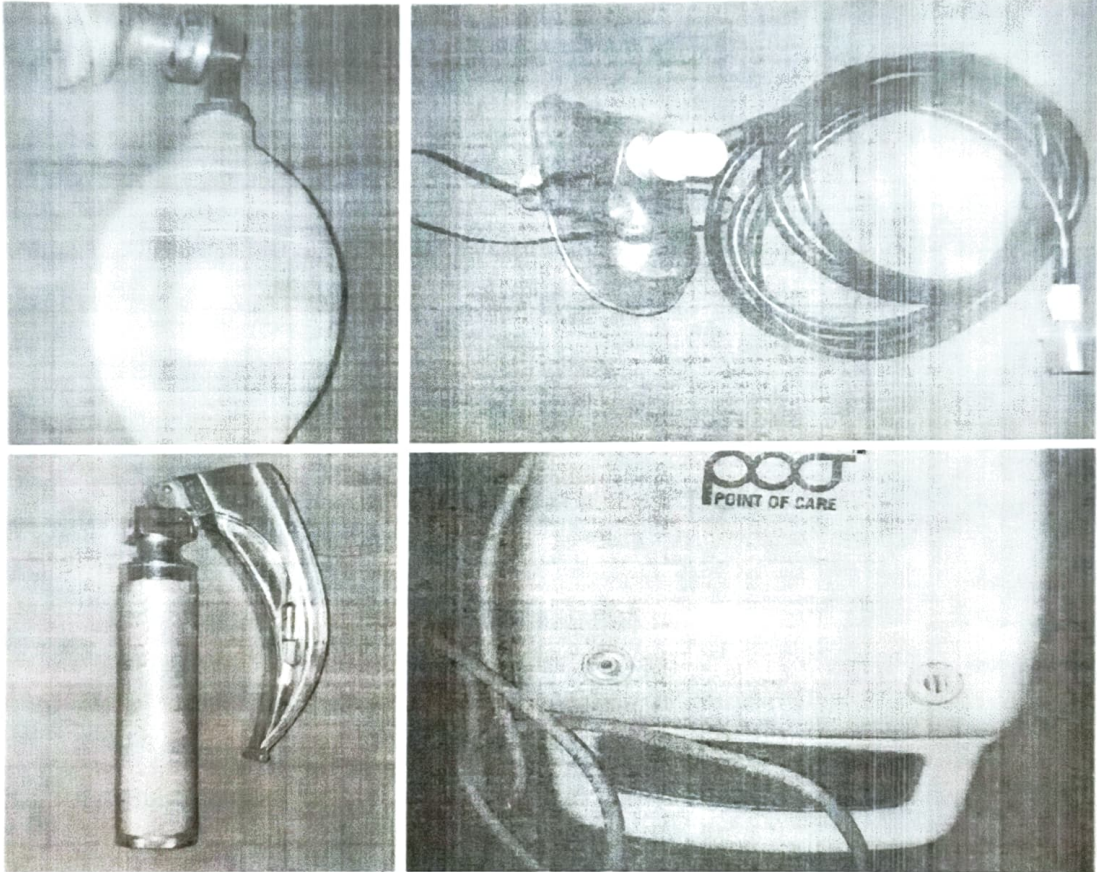

We maintain both hard copy as well as soft copy of all the detail of OPD pateints.  
Monthly record of IPD patients and OT procedures are maintained and checked.  
We also keep Ayurvedic sthanik chikitsa procedures like ksharsutra, Agnikarma etc both in hard copy as well as soft copy.
