#### CODE OF CONDUCT FOR TEACHERS :-

Teachers play a crucial role in any institution. Knowledge and education are the basis for all things that can be accomplished in life. Education is a fundamental aspect in the development of a country. If the youth of a society is educated, a future is born. Teachers provide the education that improves quality of life, therefore bringing so much to both individuals and society.

Dr APJ Abdul Kalam says that **“Education is the best weapon among all “**

TEACHER” the world itself includes “Teach” which means “GURU” who shares the experience, knowledge, and skills to others for a better-educated world. Apart from lavishing career, there are numerous of Importance of Teaching Profession.

In India, Teachers are treated as nation builders as teachers play the role of substitute parents. Only Teachers can facilitate student’s growth, skills, and creativity. Teachers play a vital role in student’s life by helping them achieve their goals. Therefore, choosing the Teaching Profession offers endless career opportunities. However, Teaching is not the only Profession; in fact, it is the activity to serve education.

#### professional ethics

- 1) Be optimistic and committed to the interests of the students as the foremost aim of the teaching profession is to educate. This attitude should be directed towards the specific needs of each student. They should be conscientious and dedicated and if necessary, should help the students beyond class hours without accepting any remuneration.
- 2) teacher should not prevent any student from expressing his viewpoint although it may differ from that of his own. The student should be encourage to express their views. Teacher should accept constructive criticism.
- 3) teacher should try to develop an educational environment. Equal treatment should be meted out to all students irrespective of caste, creed, religion, gender, or socio-economic status. There should not be any partiality or biased attitude towards any of them.
- 4) They aim should be to inspire students to generate more interest and develop a sense of inquiry in the pursuit of knowledge.
